COMMAND

with an Advantage Advantage™

Airetrak
Advantage™

One Control Does It All!

Meet the Airetrak Advantage™, the newest inductee into the Tamarack Air Force.

The Airetrak Advantage™ replaces regular wall switches for both the bath fan and light. It sets the fan to operate intermittently or continuously throughout the day at variable speeds and full speed when you need it.

The Airetrak Advantage™ is simple to install, and easy to program.

Please call Tamarack for contractor pricing and availability
