

# easy! breathe

## **THE DRAGON Garage Fan delivers a *sigh of relief!***

You'll breathe easy when The Dragon exhales hot, humid, toxic air from your attached garage. These unhealthy fumes from gasoline, fertilizer, paints, pesticides and auto exhaust are flowing into your home and they are being inhaled by you and your family!

**Get THE DRAGON  
and clear the air!**

# Your Garage is waiting to

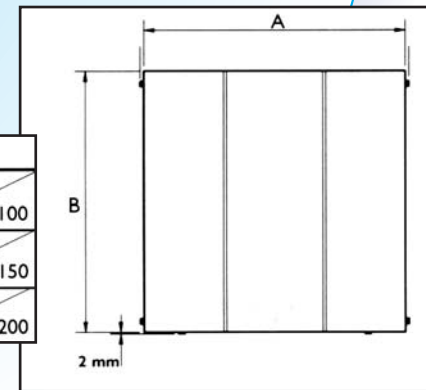

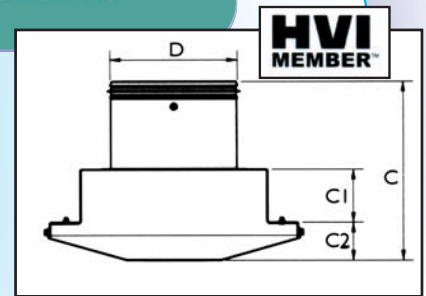

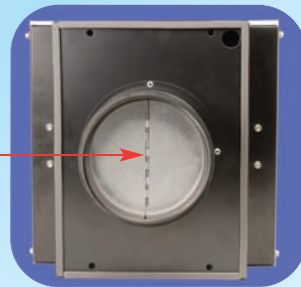

# EXHALE!

The Dragon is a quiet, easy to install, wall mounted garage fan that is energy efficient and completely maintenance free!

Designed for easy through the wall installation, The Dragon features a powerful external rotor motor plus a built-in spring loaded backdraft damper preventing insects from entering your garage.

Dimensions inches/mm
